

## CARNET DE LECTOR EN DISPOSITIVOS MÓVILES

1. Identificarse como usuario en el MOPAC. <http://xlpv.cult.gva.es/cginet-bin/mopac>

The screenshot shows the top part of the MOPAC interface. At the top, there is a dark grey header with the text "Desconectar" and "Ayuda". Below this is a light grey section with a blue icon of a person and the text "Identifíquese". Underneath is another light grey section with a blue information icon and the text "Información general". Below that is a search section with a magnifying glass icon and the text "Consulta de datos". There is a search input field containing the text "en: Catálogo completo" and a blue button labeled "Buscar". At the bottom of the search section, there is a link that says "Consulta experta".

2. Introducir los datos del usuario y clicar en conectar

The screenshot shows the same MOPAC interface as the previous one, but now with user data entered. The "Identifíquese" section has two input fields: the first contains the number "101055206" and the second contains six asterisks "\*\*\*\*\*". Below these fields is a blue button labeled "Conectar". The "Información general" and "Consulta de datos" sections are still visible below.
